SECTION 1	2
-----------	---

WE LIVE IN A WORLD OF THE EMPEROR'S NEW CLOTHES, WHERE EVERYONE MUST PRETEND TO SEE THINGS THAT DON'T EXIST

1	Like in the Emperor's New Clothes, we have been tricked into thinking that a man's life has no intrinsic value.	2
2	We can't fight a fantasy on its terms. We must go to the fundamental truth.	29
3	Marriage is a contract so we must understand its purpose and terms.	40
4	The Emperor bought imaginary clothes and we bought an imaginary equality.	49
5	Men who "go their own way" in life are not hatefully rejecting historic values. They are demanding value as human beings.	53

SECTION II

LIKE THE EMPEROR, WE BOUGHT A SCAM WHERE THE COSTS ARE REAL BUT THE BENEFITS ARE ILLUSORY.

1	Historically men wanted to commit because the Ancient Contract had real and enforceable benefits that justified the costs.	58
2	Like a suit of magical Clothes, they promised us a magically better relationship paradigm.	
3	The Ancient Contract worked because it met everyone's needs.	73
4	The fraud depends on men underestimating their value.	92
5	When "commitment" is a fantasy, men miss nothing by rejecting it.	98

SECTION III

A CON ARTIST'S DECEPTION SERVES ONLY HIMSELF, SO MEN DON'T HURT WOMEN BY REJECTING THE SCAM AND GOING THEIR OWN WAY

1	From broken glass to broken lives, parasites feed on destruction	109
2	We can't trust our "experts" because they depend on destruction	119

for their livelihood.

|---|--|-----|
| 3 | Like the Emperor's conmen, our experts make people believe that they benefit from their own destruction. | 1 |
| 4 | Women are not the beneficiaries of the Modern Paradigm. They are the bait. | 146 |
| 5 | The Modern Paradigm is a greater evil to women than men. | 155 |

SECTION IV

LIKE THE LITTLE BOY WHO REFUSED TO ACCEPT THE
LIE, MEN WHO REJECT HE MODERN PARADIGM WILL
SAVE SOCIETY.

|---|--|-----|
| 1 | Effective lessons are never pleasant. | 178 |
| 2 | We cannot force a change, nor should not want to try. | 185 |
| 3 | Being nice will not cause change. | 187 |
| 4 | The Economic solution (refusing to play the game) is the most peaceful, respectful, and effective solution to our problem. | 191 |
| 5 | Men, naturally seeing the benefits of the Economic Solution, are beginning a "Nice Guy Rebellion". | 198 |
| 6 | Women's need to survive in the Rebellion will save society | 211 |
